Dear Hiring Manager,

I am writing to express my interest in the entry-level software engineer position. With a solid foundation in full-stack web development, enriched by comprehensive training through bootcamps, and hands-on experience in Python programming, I am eager to bring my technical skills, innovative problem-solving capabilities, and passion for technology to your team. My background also includes invaluable leadership and project management experience gained during my service in the United States Marine Corps, which has equipped me with a unique perspective on teamwork, discipline, and excellence in high-pressure environments.

My academic and professional journey has been characterized by a continuous pursuit of knowledge and excellence. From developing a wide range of web projects that demonstrate my skills in HTML, CSS, JavaScript, React, and Node.js, to mastering Python for data analysis and machine learning, I have consistently sought to expand my technical repertoire. Furthermore, my experience as a Technical Project Manager in the Marine Corps has honed my abilities in managing complex projects, ensuring clear communication, and fostering team success under challenging conditions.

I am particularly drawn to organizations committed to innovative projects, technological advancements, and fostering a culture of continuous learning and development. I am enthusiastic about the opportunity to contribute to your team's success by leveraging my technical skills and background to develop software solutions that drive innovation, enhance product functionality, and improve user experience.

Thank you for considering my application. I am looking forward to the opportunity to discuss how my background, skills, and enthusiasms align with the needs of your team and how I can contribute to the exciting projects at your organization. I am available for an interview at your earliest convenience and can be reached at 512-661-4390 or via email at [mocarzelt@icloud.com](mailto:mocarzelt@icloud.com).

Warmest regards,

Thiago Mocarzel
